

MODEL 32A45GV

Diagonal size:31.5 inches

# more clear, more defined

The A4 Series HD Smart TV is an entertainment musthave that features tons of built-in apps via the Hisense Smart Platform - VIDAA, making it easier than ever to personalize your entertainment experience. Other details include DTS Virtual X for crisp audio, and Motion Rate 120 keeps up with the fastest sports, movies and gaming. The screen size also makes it ideal for smaller rooms and budgets.

#### **HD** Resolution

High Definition 720p resolution delivers a sharp and detailed picture for better clarity.

## DTS® Virtual:X™

DTS Virtual:X bridges the gap between the DTS:X codec and the reality of so many consumers' homes, allowing you to enjoy multi-dimensional sound regardless of room size, layout, or speaker configuration.

### Vidaa OS

Open a world of content through Hisense's Vidaa OS smart platform. With hundreds of apps at your disposal, getting to your favorite TV show, movie, or game is simple and intuitive.

#### Motion Rate 120

Don't struggle to keep your eye on the ball—enjoyfast-paced sports, movies and gaming without the lag. Featuring Motion Rate image processing technology, the A4 series keeps the thrills coming by making it easy to follow fast-moving action.

#### Works with Alexa

Quickly access entertainment and control your TV with an Alexa device that you already own. With the touch of your remote or a simple voice command, turn on and off the TV, change channels, and much more.

#### **Gaming Mode**

Enjoy a better gaming experience. In Game Mode, input lag is significantly improved, so your commands from the controller are virtually instantaneous on thescreen.
