VESA	55"	: 300 × 300 mm
	50" / 43"	: 200 × 200 mm

4K UHD, Vibrant Viewing in Ultra High Resolution

LG UHD TVs surpass your expectations every time. Experience lifelike picture quality and vivid colours with four times more pixel accuracy than Full HD.

Multi IR

Multi-code IR function eliminates any remote control signal interference between TVs in rooms with multiple TVs installed.

USB Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. Instead of setting up each display one by one, data can be copied to a USB for one display and can be sent to the other displays through a USB plug-in.
