Highlights

Switch On Picture

Hotel can choose the picture that will display at first every time switch on.

Switch On Channel Programming

Perfect for in-house advertising or information channels as it allows to show a predefined channel when the TV is turned on.

HDMI CEC & USB Plug & Play

One Remote Control can control the TV & audio device (such as a sound-bar) that connects the TV (via HDMI CEC) easily. Once USB device insert the TV, its content list will display automatically.
